

Founded in 2019 by Mr. Malam singh Rathore, OM SHREE ENTERPRISES Company began as a Director firm specializing in the clean energy sectors projects. From its inception, the company has been driven by strong core values—integrity, quality, and commitment to excellence—that continue to shape its journey. Over the years, Construction has steadily expanded its execution capabilities, taking on larger and more complex infrastructure projects across the country. Our growth is a testament to our technical expertise, project management strength, and customer-first approach.

OM SHREE ENTERPRISES diversified into the renewable energy sector. Since then, the company has successfully ventured into solar energy projects, substation-related works, and wind energy development, aligning with India's vision for sustainable and green infrastructure.

Today, OM SHREE ENTERPRISES Company stands as a dynamic and forward-thinking organization, delivering solutions across clean energy sectors.

WHO WE ARE TODAY

OM SHREE ENTERPRISES construction company is highly experienced in construction of state & national highways, bridges, culverts, flyovers, and rail over-bridges.

As on 31st march, 2023, our equipment base comprised of over 200 construction equipment and vehicles.

Founded in 2008, OM SHREE ENTERPRISES construction company is headquartered in Rajasthan, India with a network oflocations in Rajasthan, Madhya Pradesh, Gujrat, Maharashtra, Karnataka, aandhra Pradesh and U.P.

Materials, project execution at the site with overall project management up to the commissioning of these projects. In addition, we also undertake repair and maintenance of projects as per our Contractual arrangements.

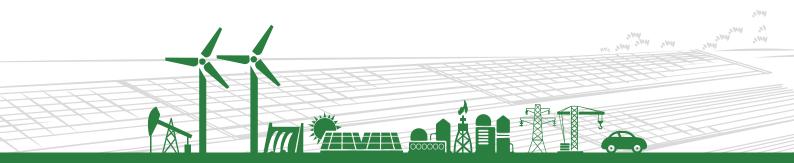

OM SHREE ENTERPRISES construction company's success over the years is due to its employees' dedication to excellent work, customer service that exceeds expectations, and a safety program that has led to millions of zero-accident hours. Smart engineering skills and open communication have empowered OM SHREE ENTERPRISES construction company's workforce since day one, and it shows in our work.

In the last five years of the various completed projects, the majority of the projects have been completed early or within the timelines stipulated by our clients.

STRENGTHS

- Responsible and dedicated team.
- Maintaining quality standards.
- Proven planning and construction management skills
- Delivery early or within the timeliness
- A culture of quality, safety, delivery and integrity
- Be technical experts & problem solvers
- Train, develop & invest in people
- Be fair & transparent
- Encourage collaboration & teamwork
- Set direction & take action

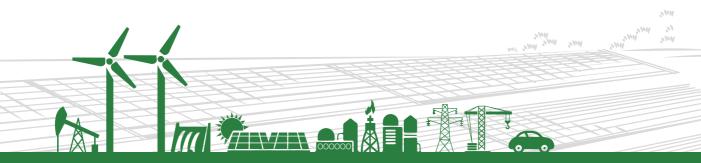

Malam singh Rathore (Directors)

Mr. Malam Singh Rathore is the Director of OM SHREE ENTERPRISES Company. With Over 10 Years of Extensive Experience in the Green Energy Sector, He Has Been a Key Driving Force Behind the Company's Foundation and Sustained Growth. As a Director on the Board Since the Company's Inception, Mr. Singh Has Played an Instrumental Role in Shaping Its Strategic Direction.

He is Actively Involved in Policy Formulation and Strategic Planning, and He Represents the Company in Interactions With Various Government Departments. Mr. Singh Also Oversees Critical Business Functions Such as Bidding, Tendering, and Project Planning, Ensuring That Every Process Aligns With the Company's Vision for Excellence and Efficiency.
